(e) Therapeutic diets must be prepared and served as ordered by the health care provider. 1. Facilities that offer residents a variety of food choices through a select menu, buffet style dining, or family style dining are not required to document what is eaten unless a health care provider's order indicates that such monitoring is necessary. However, the food items that enable residents to comply with the therapeutic diet must be identified on the menus developed for use in the facility. 2. The facility must document a resident's refusal to comply with a therapeutic diet and provide notification to the resident's health care provider of such refusal. {A 093}	Continued From page 16 planning. On at 10:12 AM Resident #3 stated nothing has changed since the last survey visit. There have not been any meetings since I moved in. Resident stated I don't even know what is being served for lunch as there is no menu posted. Resident stated the food is prepared in the kitchen located in front of facility and delivered by the staff to us. Observation of the dining common area near the Administrator's office did not reveal a menu posted for review for the residents who resided in units 1 -12. On at 11:03 AM Resident #13 stated the facility does not have meetings for menu planning. On at 11:55 AM the Owner stated, I cannot find the Administrator notes. So, I'd have to say there has been no meetings. I can have a menu posted here for the residents. Class III	{A 093}
