An appropriate placement assessment provided by the resident's mental health care provider within 30 days of admission to the facility that the resident has been assessed and found appropriate for residence in an assisted living facility. Such assessment must be conducted by a psychiatrist, clinical psychologist, clinical social worker, nurse, or an individual supervised by one of these professionals. a. Any of the following documentation that contains the name of the resident and the name, signature, date, and license number, if applicable, of the person making the assessment, meets this requirement: (I) Completed Alternate Care Certification for form, CF-ES Form 1006, (II) Discharge Statement from a state mental hospital completed no more than 90 days before admission to the assisted living facility provided it contains a statement that the individual is appropriate to live in an assisted living facility, or (III) Other signed statement that the resident has been assessed and found appropriate for residency in an assisted living facility. b. A mental health resident returning to a facility from treatment in a hospital or crisis stabilization unit will not be considered a new admission and will not require a new assessment. However, a break in a resident's residency that requires the facility to execute a new resident contract or admission agreement will be considered a new admission and the resident's mental health care provider must provide a new assessment. 3. A Community Living Support Plan. Each mental health resident and the resident's mental	AL241

AL241	Continued From page 15 such missing documentation made by the facility administrator within 72 hours of the resident's admission will be considered a good faith effort. The documented request must include the name, title, and phone number of the person to whom the request was made and must be kept in the resident's file. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility with a limited mental health license failed to update the admissions and discharge log containing the names (Residents #1 & #2) and dates of admissions and discharge for all mental health residents. Findings: A review of the Admissions and Discharge showed no documentation that Residents #1 and #2 were mental health residents. Interviewed on at 9:48 AM the Administrator stated that Residents #1 and #2 were mental health residents when asked. Class III	AL241
