A 031 SS=D	59A-36.007(6) FAC Resident Care - Third Party Services (6) THIRD PARTY SERVICES. (a) Nothing in this rule chapter is intended to prohibit a resident or the resident's representative from independently arranging, , and paying for services provided by a third party of the resident's choice, including a licensed home health agency or private nurse, or receiving services through an out-patient clinic, provided the resident meets the criteria for admission and continued residency and the resident complies with the facility's policy relating to the delivery of services in the facility by third parties. The facility's policies must require the third party to coordinate with the facility regarding the resident's condition and the services being provided. (b) When residents require or arrange for services from a third party provider, the facility administrator or designee must allow for the receipt of those services, provided that the resident meets the criteria for admission and continued residency. The facility, when requested by residents or representatives, must coordinate with the provider to facilitate the receipt of care and services provided to meet the , resident's needs. (c) The administrator or designee must ensure that: 1. Care coordination includes documented communications about the resident's condition and response to treatment or services ordered by	A 031

A 031	Continued From page 1 the physician which may impact the resident's appropriateness for continued residency in the facility; 2. Communications occur at least once every 30 days and whenever there is a significant change in the resident's condition; and 3. If physician ordered treatments or services occur less often than once a month, communications must be conducted according to the ordered treatment or service schedule and whenever there is a significant change in the resident's condition. 4. When communication with the third party provider is unsuccessful, at least two attempts at communication on two separate days must be documented. Documentation must include the name of the person from the third party provider with whom contact was attempted, the method of communication, and the date and time of the attempts. This documentation must be included in the resident's record in accordance with the timeframes in subparagraphs 59A-36.007(6)(c)2. and 3. (d) If residents accept assistance from the facility in arranging and coordinating third party services, the facility's assistance does not represent a guarantee that third party services will be received. If the facility's efforts to make arrangements for third party services are unsuccessful or declined by residents, the facility must include documentation in the residents' record explaining why its efforts were unsuccessful. This documentation will serve to demonstrate its compliance with this subsection. This Statute or Rule is not met as evidenced by: Based on record review and interview the facility failed to have care plan by hospice agency for service provided were available for one out of eight (Resident #1) sampled residents . A 031	Continued From page 2 Findings included: Review of Resident #1's health assessments were completed on 8/21/24 showed that Nursing/Treatment/ Services section stated Needs total care, in hospice care. Resident #1 needed total assistance with ambulation, bathing, self-care (grooming), toileting, transferring, and eating. There was no evidence that Resident #1 had an Initial Care Plan provided by the hospice agency. On 8/21/24 at 1:26 PM the Administrator acknowledged the hospice care plan was not in the resident records. Class III	A 031

CZ875	Continued From page 2 and stress management. 3. Thereafter, each employee who provides personal care must participate in at least 4 hours of continuing education each calendar year through contact hours, on-the-job training, or electronic learning. For this subparagraph, the term "on-the-job training" means a form of direct coaching in which a facility administrator or his or her designee instructs an employee who provides personal care with guidance, support, or on experience to help develop and refine the employee's skills for caring for a person with 's or a related form of . The continuing education must cover at least one of the topics included in the -specific training in which the employee has not received previous training in the previous calendar year. The continuing education may be fulfilled and documented in a minimum of one quarter-hour increments through on-the-job training of the employee by a facility administrator or his or her designee or by an electronic learning , chosen by the facility administrator. On-the-job training may not account for more than 2 hours of continuing education each calendar year. (f)1. An employee provided, assigned, or referred by a health care services pool must complete the training required in paragraph (c), paragraph (d), or paragraph (e) that is applicable to the covered provider and the position in which the employee will be working. The documentation verifying the completed training and continuing education of the employee, if applicable, must be provided to the covered provider upon request. 2. A health care services pool must verify and maintain documentation as required under s. 400.980(5) before providing, assigning, or referring an employee to a covered provider.	CZ875
