CZ875	Continued From page 2 and stress management. 3. Thereafter, each employee who provides personal care must participate in at least 4 hours of continuing education each calendar year through contact hours, on-the-job training, or electronic learning. For this subparagraph, the term "on-the-job training" means a form of direct coaching in which a facility administrator or his or her designee instructs an employee who provides personal care with guidance, support, or on experience to help develop and refine the employee's skills for caring for a person with 's or a related form of . The continuing education must cover at least one of the topics included in the -specific training in which the employee has not received previous training in the previous calendar year. The continuing education may be fulfilled and documented in a minimum of one quarter-hour increments through on-the-job training of the employee by a facility administrator or his or her designee or by an electronic learning , chosen by the facility administrator. On-the-job training may not account for more than 2 hours of continuing education each calendar year. (f)1. An employee provided, assigned, or referred by a health care services pool must complete the training required in paragraph (c), paragraph (d), or paragraph (e) that is applicable to the covered provider and the position in which the employee will be working. The documentation verifying the completed training and continuing education of the employee, if applicable, must be provided to the covered provider upon request. 2. A health care services pool must verify and maintain documentation as required under s. 400.980(5) before providing, assigning, or referring an employee to a covered provider.	CZ875
