A 078	Continued From page 2 provider documenting that the staff does not have any signs or symptoms of communicable . (Employees A, B, and C) The findings include: A record review was conducted of Employee A (a Medication Technician with a hire date of), Employee B (the Clinical Coordinator with a hire date of), and Employee C (a Personal Care Assistant with a hire date of) personnel files. A written statement from a health care provider documenting the staff is free from communicable could not be found in any of these files. On at approximately 4:15 PM, an interview was conducted with the Executive Director (ED). During this interview, the ED was informed of the missing documentation for Staff A, B, and C. The ED reported that she never had to complete the communicable statement. A second interview was conducted on at approximately 8:20 AM with the Health Wellness Director (HWD) and the ED. They confirmed that they did not have the communicable statements for Employees A, B and C. Class III	A 078
