A 031 SS=D	59A-36.007(6) FAC Resident Care - Third Party Services (6) THIRD PARTY SERVICES. (a) Nothing in this rule chapter is intended to prohibit a resident or the resident's representative from independently arranging, , and paying for services provided by a third party of the resident's choice, including a licensed home health agency or private nurse, or receiving services through an out-patient clinic, provided the resident meets the criteria for admission and continued residency and the resident complies with the facility's policy relating to the delivery of services in the facility by third parties. The facility's policies must require the third party to coordinate with the facility regarding the resident's condition and the services being provided. (b) When residents require or arrange for services from a third party provider, the facility administrator or designee must allow for the receipt of those services, provided that the resident meets the criteria for admission and continued residency. The facility, when requested by residents or representatives, must coordinate with the provider to facilitate the receipt of care and services provided to meet the , resident's needs. (c) The administrator or designee must ensure that: 1. Care coordination includes documented communications about the resident's condition	A 031

A 031	Continued From page 1 and response to treatment or services ordered by the physician which may impact the resident's appropriateness for continued residency in the facility; 2. Communications occur at least once every 30 days and whenever there is a significant change in the resident's condition; and 3. If physician ordered treatments or services occur less often than once a month, communications must be conducted according to the ordered treatment or service schedule and whenever there is a significant change in the resident's condition. 4. When communication with the third party provider is unsuccessful, at least two attempts at communication on two separate days must be documented. Documentation must include the name of the person from the third party provider with whom contact was attempted, the method of communication, and the date and time of the attempts. This documentation must be included in the resident's record in accordance with the timeframes in subparagraphs 59A-36.007(6)(c)2. and 3. (d) If residents accept assistance from the facility in arranging and coordinating third party services, the facility's assistance does not represent a guarantee that third party services will be received. If the facility's efforts to make arrangements for third party services are unsuccessful or declined by residents, the facility must include documentation in the residents' record explaining why its efforts were unsuccessful. This documentation will serve to demonstrate its compliance with this subsection. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to have the most recent care plan from hospice for one out of six sampled residents	A 031
