On-the-job training may not account for more than 2 hours of continuing education each calendar year. (f)1. An employee provided, assigned, or referred by a health care services pool must complete the training required in paragraph (c), paragraph (d), or paragraph (e) that is applicable to the covered provider and the position in which the employee will be working. The documentation verifying the completed training and continuing education of the employee, if applicable, must be provided to the covered provider upon request. 2. A health care services pool must verify and maintain documentation as required under s. 400.980(5) before providing, assigning, or referring an employee to a covered provider. (7) For a certified nursing assistant as defined in s. 464.201, training hours completed as required under this section may count toward the total hours of training required to maintain certification as a nursing assistant. (8) For a health care practitioner as defined in s. 456.001, training hours completed as required under this section may count toward the total hours of continuing education required by that practitioner's licensing board. (9) Each person employed, _____, or referred to provide services before _____,	ZZ875
