Linens provided by a facility must be free of tears, stains and must not be This Statute or Rule is not met as evidenced by: Based on observation and interview, the facility failed to ensure that the living environment was free from hazards. The facility failed to ensure that an EXIT door was not obstructed preventing clear access to get out of the room in the event of an emergency. Findings: On at 09:10 AM, a sofa was observed close to a door of # with a red lettered EXIT sign. A folded walker with multiple folded bed linen was observed in between the sofa and the door. The door led out of the room to the outside of the facility. There was no place to pass in order to get out of the room. On at 09:10 AM, it was observed that # had 2 doors that led into and out from it. On at 12:42 PM, On interview with the Administrator, she stated that when residents have to come out of #, they are led to the door of the room that leads to the center of the living room of the house. On at 1242, On Interview, the Administrator was presented with a scenario involving a fire in the living room of the Facility. The Administrator understood that in that situation, the residents of # would not be able to safely leave the room from the door that leads out to the center of the facility. She stated	A 152
