A 000	Initial Comments A re-licensure survey with complaints 2025003363, LNS monitoring, and a generator monitoring were conducted on _____ at Discovery Village at Melbourne Assisted Living Facility. There were deficiencies identified at the time of the survey.	A 000		
A 078 SS=D	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable _____. The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of _____ testing materials satisfies the annual examination requirement. An individual with a positive _____ test must submit a health care provider's statement that the individual does not constitute a risk of _____. 2. If any staff member has, or is suspected of having, a communicable _____, such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable _____.
