(b) Each assisted living facility must maintain a copy of each notification set forth in paragraph (a) above in a manner that makes each notification readily available at the licensee's physical address for review by a legally authorized entity. If the notifications are maintained in an electronic format, facility staff must be readily available to access and produce the notifications. For purposes of this section, "readily available" means the ability to immediately produce the notifications, either in electronic or paper format, upon request. This Statute or Rule is not met as evidenced by: Based on observation and interview, the facility failed to acquire a sufficient alternate power source such as a generator. The current generator could not be initiated at the premises by Staff C. Findings: An observation on _____ at 7:21AM, showed Staff C trying to initiate hybrid generator unsuccessfully. Several tries were done. In an interview on _____ at 7:23AM, Staff C was asked, when was the last time you tried to start up the generator, she answered: "Well, it was about two days ago or so".
