A 084	Continued From page 3 annually thereafter. The agency shall establish by rule the minimum requirements of this training This Statute or Rule is not met as evidenced by: Based on interview and record review the facility failed to ensure staff had completed the initial 6-hour training in assistance with self-administration of medication prior to assisting with self-administration of medication for one (Staff C) of three sampled employees; and failed to ensure staff had completed the annual 2-hour update in assistance with self-administration of medication prior to assisting residents with self-administration of medication for one (Staff D) of three sampled employees. Findings included: A record review for Staff C (unlicensed Medication Technician with date of hire of) conducted on revealed no proof of completion of the initial 6-hour training in assistance with self-administration of medication. A record review for Staff D (unlicensed Medication Technician with date of hire of) conducted on revealed no proof of completion of the annual 2-hour update in assistance with self-administration of medication. During an interview on at 1:41 pm the Executive Director said they would work to get all the files and trainings updated. Class III	A 084
