ZZ821	Continued From page 4 upon learning the resident was found on the floor. He saw _____ near the resident's left _____. The resident was alert but not her usual cognition. She was normally oriented to person, place, and time. She was mostly independent. On _____ at 1:52 PM, caregiver B said that on between 8 AM and 9 AM she entered the resident's room to give medications. The resident was sitting on the floor with papers and a book nearby. When caregiver B asked if the resident needed help getting off the floor, the resident declined and said she was on the floor looking at stuff. At approximately 2 PM, caregiver B entered the resident's room to give medications. The resident was _____ down on the floor with a woven clothes basket partially on her _____. The resident was awake, and her speech was slurred. The caregiver dialed 911 from the room. When the responding emergency personnel got the resident off the floor, the caregiver saw discoloration around the resident's left _____. The caregiver said there were previous times she saw the resident purposely sitting on the floor looking at things. Review of a law enforcement report revealed that on _____ at approximately 9:18 PM an officer responded to the hospital in reference to a report of elderly _____ involving this resident that allegedly occurred at the assisted living facility. Following the initial investigation at the hospital, the officer responded to the facility and spoke with employees and the administrator about the incident that occurred earlier that day. On _____ at 10:58 AM, the administrator said reports were not submitted within 1 business day and within 15 calendar days after law enforcement responded to the facility because she did not call them herself and they came only	ZZ821
