ZZ821	Continued From page 4 with the agency. The DON was reminded of the requirements for filing an incident report with the agency. The DON did confirm the findings and confirmed that no report was submitted. The DON was reminded to go ahead and file a report with the agency and indicate all the information as it relates to the incident with resident #4. On at 3:58pm in an interview with the administrator she also confirmed that resident #4 did on and was sent out to the hospital for further care and was transferred to a rehabilitation center. The administrator also confirmed that the facility did not file an incident report with the agency. Unclassified	ZZ821			
ZZ830 SS=D	408.821 FS Emergency Management Planning 408.821 Emergency management planning; emergency operations; inactive license.- (1) A licensee required by authorizing statutes and agency rule to have a comprehensive emergency management plan must designate a safety liaison to serve as the primary contact for emergency operations. Such licensee shall submit its comprehensive emergency management plan to the local emergency management agency, county health department, or Department of Health as follows: (a) Submit the plan within 30 days after initial licensure and change of ownership, and notify the agency within 30 days after submission of the plan. (b) Submit the plan annually and within 30 days after any significant modification, as defined by agency rule, to a previously approved plan.	ZZ830

ZZ830	Continued From page 5 (c) Submit necessary plan revisions within 30 days after notification that plan revisions are required. (d) Notify the agency within 30 days after approval of its plan by the local emergency management agency, county health department, or Department of Health. (2) An entity subject to this part may temporarily exceed its licensed capacity to act as a receiving provider in accordance with an approved comprehensive emergency management plan for up to 15 days. While in an overcapacity status, each provider must furnish or arrange for appropriate care and services to all clients. In addition, the agency may approve requests for overcapacity in excess of 15 days, which approvals may be based upon satisfactory justification and need as provided by the receiving and sending providers. (3)(a) An inactive license may be issued to a licensee subject to this section when the provider is located in a geographic area in which a state of emergency was declared by the Governor if the provider: 1. Suffered damage to its operation during the state of emergency. 2. Is currently licensed. 3. Does not have a provisional license. 4. Will be temporarily unable to provide services but is reasonably expected to resume services within 12 months. (b) An inactive license may be issued for a period not to exceed 12 months but may be renewed by the agency for up to 12 additional months upon demonstration to the agency of progress toward reopening. A request by a licensee for an inactive license or to extend the previously approved inactive period must be submitted in writing to the agency, accompanied by written justification for	ZZ830
