A 165	Continued From page 2 shall review each incident and determine whether it potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. (8) If the agency, through its receipt of the adverse incident reports prescribed in this part or through any investigation, has reasonable belief that conduct by a staff member or employee of a licensed facility is grounds for disciplinary action by the appropriate board, the agency shall report this fact to such regulatory board. (9) The adverse incident reports and preliminary adverse incident reports required under this section are confidential as provided by law and are not discoverable or admissible in any civil or administrative action, except in disciplinary proceedings by the agency or appropriate regulatory board. (10) The agency may adopt rules necessary to administer this section. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to file an Adverse Incident Report (AIRS) with the Agency for Health Care Administration for two (resident #7 and #10) out of two sampled residents with an adverse incident. Findings included: A review of resident #7's medical record, conducted on _____, revealed Resident #7 alleged an allegation of _____ during the night of _____ to _____. The medical record showed the facility called the local law enforcement and other mandatory state agencies.	A 165
