A 000	Initial Comments A standard re-licensure survey was conducted at Peace and Care of Miami Lakes on _____ Deficiencies were identified at the time of the survey.	A 000		
A 055 SS=D	59A-36.008(6) FAC Medication - Storage and Disposal (6) MEDICATION STORAGE AND DISPOSAL. (a) In order to accommodate the needs and preferences of residents and to encourage residents to remain as independent as possible, residents may keep their medications, both prescription and over-the-counter, in their possession both on or off the facility premises. Residents may also store their medication in their rooms or apartments if either the room is kept locked when residents are absent or the medication is stored in a secure place that is out of sight of other residents. (b) Both prescription and over-the-counter medications for residents must be centrally stored if: 1. The facility administers the medication; 2. The resident requests central storage. The facility must maintain a list of all medications being stored pursuant to such a request; 3. The medication is determined and documented by the health care provider to be hazardous if kept in the personal possession of the person for whom it is prescribed; 4. The resident fails to maintain the medication in a safe manner as described in this paragraph; 5. The facility determines that, because of physical arrangements and the conditions or habits of residents, the personal possession of medication by a resident poses a safety hazard to other residents, or 6. The facility's rules and regulations require	A 055

A 055	Continued From page 1 central storage of medication and that policy has been provided to the resident before admission as required in Rule 59A-36.006, F.A.C. (c) Centrally stored medications must be: 1. Kept in a locked cabinet; locked cart; or other locked storage receptacle, room, or area at all times; 2. Located in an area free of dampness and abnormal temperature, except that a medication requiring refrigeration must be kept refrigerated. Refrigerated medications must be secured by being kept in a locked container within the refrigerator, by keeping the refrigerator locked, or by keeping the area in which the refrigerator is located locked; 3. Accessible to staff responsible for filling pill-organizers, assisting with self-administration of medication, or administering medication. Such staff must have ready access to keys or codes to the medication storage areas at all times; and, 4. Kept separately from the medications of other residents and properly closed or sealed. (d) Medication that has been discontinued but has not expired must be returned to the resident or the resident's representative, as appropriate, or may be centrally stored by the facility for future use by the resident at the resident's request. If centrally stored by the facility, the discontinued medication must be stored separately from medication in current use, and the area in which it is stored must be marked "discontinued medication." Such medication may be reused if prescribed by the resident's health care provider. (e) When a resident's stay in the facility has ended, the administrator must return all medications to the resident, the resident's family, or the resident's guardian unless otherwise prohibited by law. If, after notification and waiting at least 15 days, the resident's medications are	A 055

A 160 SS=D	59A-36.015(1) FAC Records - Facility 59A-36.015 Records. The facility must maintain required records in a manner that makes such records readily available at the licensee's physical address for review by a legally authorized entity. If records are maintained in an electronic format, facility staff must be readily available to access the data and produce the requested information. For purposes of this section, "readily available" means the ability to immediately produce documents, records, or other such data, either in electronic or paper format, upon request. (1) FACILITY RECORDS. Facility records must include: (a) The facility's license displayed in a conspicuous and public place within the facility. (b) An up-to-date admission and discharge log listing the names of all residents and each resident's: 1. Date of admission, the facility or place from which the resident was admitted, and if applicable, a notation indicating that the resident was admitted with a _____; and 2. Date of discharge, reason for discharge, and identification of the facility or home address to which the resident was discharged. Readmission of a resident to the facility after discharge requires a new entry in the log. Discharge of a resident is not required if the facility is holding a bed for a resident who is out of the facility but intending to return pursuant to Rule 59A-36.018, F.A.C. If the resident dies while in the care of the facility, the log must indicate the date of _____. (c) A log listing the names of all temporary	A 160
