ZZ875	Continued From page 3 employee, if applicable, must be provided to the covered provider upon request. 2. A health care services pool must verify and maintain documentation as required under s. 400.980(5) before providing, assigning, or referring an employee to a covered provider. (7) For a certified nursing assistant as defined in s. 464.201, training hours completed as required under this section may count toward the total hours of training required to maintain certification as a nursing assistant. (8) For a health care practitioner as defined in s. 456.001, training hours completed as required under this section may count toward the total hours of continuing education required by that practitioner's licensing board. (9) Each person employed, _____, or referred to provide services before _____, must complete the training required in this section before _____. Proof of completion of equivalent training completed before _____, shall substitute for the training required in subsection (4). Each person employed, _____, or referred to provide services on or after _____, may complete training using approved curriculum under paragraph (5)(d) until the effective date of the rules adopted by the department under subsection (6). This Statute or Rule is not met as evidenced by: Based on interview and record review the facility failed to ensure each employee who provides personal care to or has regular contact with residents complete a 1-hour training program provided by the department within 30 days after beginning employment for 2 of 2 employees sampled.
