A 030	Continued From page 6 or termination of residency that included the required contact information for local state agencies for one resident (Resident #5) of one sampled resident. Findings included: In a record review of a cellular text exchange between a family member of Resident #5 and the Administrator the text showed that the family could take the resident out early if another facility was located, but the family had 45 days to relocate the resident and marked the 45th day. This text was later followed by a text that showed the resident's last day in the facility would be Saturday (), and the family needed to pick Resident #5 up, take Resident #5's belongings, and the decision would not change. A record review for Resident #5, conducted on , revealed a notice of termination dated with a move out date of . There was no required governmental and state agency contact information listed. The notice was not signed by Resident #5's power of attorney. There was no certification by a physician to require an emergency relocation to a facility for a more skilled level of care for medical reasons. During an interview on at 11:55 a.m. the Administrator confirmed the facility changed the initial 45-day notice to an emergency termination notice and thought it was okay to do so. The Administrator said this would never happen again. Photographic evidence obtained.	A 030
