A 165	Continued From page 2 shall review each incident and determine whether it potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. (8) If the agency, through its receipt of the adverse incident reports prescribed in this part or through any investigation, has reasonable belief that conduct by a staff member or employee of a licensed facility is grounds for disciplinary action by the appropriate board, the agency shall report this fact to such regulatory board. (9) The adverse incident reports and preliminary adverse incident reports required under this section are confidential as provided by law and are not discoverable or admissible in any civil or administrative action, except in disciplinary proceedings by the agency or appropriate regulatory board. (10) The agency may adopt rules necessary to administer this section. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to file an Adverse Incident Report (AIRS) for one (Resident #6) of two sampled residents that required transfer from the facility to a unit providing more acute care due to an incident resulting in a _____ where law enforcement personnel investigated. Findings included: A record review of the facility's AIRS, conducted on _____, revealed there was an incident investigated by law enforcement that resulted in a _____ for Resident #6 on _____. The AIRs report was withdrawn by the facility on _____.	A 165
