A 030	Continued From page 1 (d) The facility must have a written statement of its house rules and procedures that must be included in the admission package provided pursuant to Rule 59A-36.006, F.A.C. The rules and procedures must at a minimum address the facility's policies regarding: 1. Resident responsibilities; 2. _____ and tobacco use; 3. Medication storage; 4. Resident elopement; 5. Reporting resident _____, neglect, and _____; 6. Administrative and housekeeping schedules and requirements; 7. _____ control, sanitation, and standard precautions; 8. The requirements for coordinating the delivery of services to residents by third party providers; 9. Assistive devices; and 10. Physical _____. (e) Residents may not be required to perform any work in the facility without compensation. Residents may be required to clean their own sleeping areas or apartments if the facility rules or the facility contract includes such a requirement. If a resident is employed by the facility, the resident must be compensated in compliance with state and federal wage laws. (f) The facility must provide residents with convenient access to a telephone to facilitate the resident's right to unrestricted and private communication, pursuant to Section 429.28(1)(d), F.S. The facility must allow unidentified telephone calls to residents. For facilities with a licensed capacity of 17 or more residents in which residents do not have private telephones, there must be, at a minimum, a readily accessible telephone on each floor of each building where residents reside. If the notifications are maintained in an electronic format, facility staff must be readily available to access and produce the notifications. For purposes of this section, "readily available" means the ability to immediately produce the notifications, either in electronic or paper format, upon request. This Statute or Rule is not met as evidenced by: Based on observation, interview, and record review, the facility failed to maintain and test the equipment and its functions to ensure the safe and sufficient operation of the generator at the assisted living facility. A 200	Continued From page 29 Findings: An observation on _____ at 8:51AM showed the facility generator with a red flashing light. In an interview on _____ at 8:52AM the Administrator was asked to start the facility generator. The Administrator stated, "I am unable to do it. I do not know what is happening. Oh, I think the battery is running low and I see a flashing red light on the side of the generator. Let me call maintenance to fix it". Review of generator's record showed it was tested on _____ at 11:05AM by Administrator. (Photographic evidence obtained) Class III	A 200
