A 031 SS=D	59A-36.007(6) FAC Resident Care - Third Party Services (6) THIRD PARTY SERVICES. (a) Nothing in this rule chapter is intended to prohibit a resident or the resident's representative from independently arranging, , and paying for services provided by a third party of the resident's choice, including a licensed home health agency or private nurse, or receiving services through an out-patient clinic, provided the resident meets the criteria for admission and continued residency and the resident complies with the facility's policy relating to the delivery of services in the facility by third parties. The facility's policies must require the third party to coordinate with the facility regarding the resident's condition and the services being provided. (b) When residents require or arrange for services from a third party provider, the facility administrator or designee must allow for the receipt of those services, provided that the resident meets the criteria for admission and continued residency. The facility, when requested by residents or representatives, must coordinate with the provider to facilitate the receipt of care and services provided to meet the , resident's needs. (c) The administrator or designee must ensure that: 1. Care coordination includes documented communications about the resident's condition	A 031
