A 152	Continued From page 1 commodos must be provided with privacy during use. (e) Facilities must make available linens and personal laundry services for residents who require such services. Linens provided by a facility must be free of tears, stains and must not be This Statute or Rule is not met as evidenced by: Based on observation and interviews, the facility failed to provide a safe living environment that was free of hazards by ensuring all architectural and structural systems were maintained in good working order resulting in cracks and water damage in the ceiling, broken and missing ceiling tiles, broken flooring tiles, and a broken window for all residents in the facility. Findings included: During a tour of the facility, conducted on between 9:20 a.m. and 10:35 a.m., multiple physical plant issues were observed. There were cracks in the ceiling tiles located in the front lobby. There was a broken window observed in the hallway leading to residents' rooms on the first floor. There were broken floor tiles on the first floor leading to an exit. There was a ceiling tile missing by a fire sprinkler on the first floor by an exit door. There were multiple ceiling tiles with water damage across the first and second floor. During an interview on at 12:30 p.m., the Administrator agreed there were multiple physical plant issues around the facility. Photographic evidence obtained.	A 152
