A 010	Continued From page 15 (b) A resident requiring care of a _____ may be retained provided that: 1. The resident contracts directly with a licensed home health agency or a nurse to provide care, or the facility has a limited nursing services license and services are provided pursuant to a plan of care issued by a health care practitioner, 2. The condition is documented in the resident's record; and, 3. If the resident's condition fails to improve within 30 days, as documented by a health care practitioner, the resident must be discharged from the facility. (c) A _____, ill resident who no longer meets the criteria for continued residency may continue to reside in the facility if the following conditions are met: 1. The resident qualifies for, is admitted to, and consents to receive services from a licensed hospice that coordinates and ensures the provision of any additional care and services that the resident may need; 2. Both the resident, or the resident's legal representative if applicable, and the facility agree to continued residency; 3. A licensed hospice, in consultation with the facility, develops and implements an interdisciplinary care plan that specifies the services being provided by hospice and those being provided by the facility; and, 4. Documentation of the requirements of this paragraph is maintained in the resident's file. (d) The facility administrator is responsible for monitoring the continued appropriateness of placement of a resident in the facility at all times. (e) A hospice resident that meets the qualifications of continued residency pursuant to this subsection may only receive services from the assisted living facility's staff which are within	A 010

A 030	Continued From page 23 On at 10:45 AM, an interview with the Business Office Manager said that the Activities Coordinator called out today and there was no staff to do activities with the residents. 2. An observation on at 2:20 PM, tried to go out the exit door in the assisted living hallway (Port Charlotte) to conduct a telephone interview, unable to get out of the exit door because the exit door was locked and secured with a keypad. The assisted living residents and guests would have to either get a staff member to enter a code in the keypad or must walk around to the front entrance to go out and come in. The facility already has a secure Memory Care unit. On at 2:25 PM, an interview with the Administrator stated that they recently had a local friend contractor on a first name basis with MAC 5 Services company to fix plumbing, cooling, electric, heating and drains. He installed the cameras and keypad locks on the two assisted living exit doors (Port Charlotte and Port St. Lucie) hallways because the neighborhood kids would just come into the facility through those exit doors and sometimes the homeless population will come in through those exit doors and she said it was not safe for the residents. The Administrator provided the invoice from MAC 5 Services to install the cameras and keypad locks on . The Administrator further said that the residents in assisted living liked the exit doors locked and secured now but she did not have any documentation regarding this statement. It was also explained that a facility cannot renovate or change anything without the agency's approval.	A 030

A 030	Continued From page 24 A review of the last fire inspection report dated (last year) to see if this was inspected and approved by the local fire Marshall's office. There was no documentation regarding these two exit doors being locked on the inspection report. On at 2:43 PM, a telephone interview with the fire inspector, who was asked if the facility exit door for assisted living can be locked and secured? The fire inspector said those exit doors must automatically open in the event of a fire so the residents can get out. He confirmed that he did not approve the locks on the doors and was coming out to the facility this upcoming Friday, for some other observations. The fire inspector stated that I could call the facility's fire alarm company to see if the two exit doors will open. On at 3:17 PM, a telephone interview with the fire alarm company, and the concierge stated that a ticket order must be taken by the Administrator and a fire alarm technician will contact her within the next 48 to 72 hours. The Administrator said she would follow up with them when they called her . On at 5:45 PM, during the exit conference the Administrator confirmed the findings.
