ZZ830 SS=D	408.821 FS Emergency Management Planning 408.821 Emergency management planning; emergency operations; inactive license.- (1) A licensee required by authorizing statutes and agency rule to have a comprehensive emergency management plan must designate a safety liaison to serve as the primary contact for emergency operations. Such licensee shall submit its comprehensive emergency management plan to the local emergency management agency, county health department, or Department of Health as follows: (a) Submit the plan within 30 days after initial licensure and change of ownership, and notify the agency within 30 days after submission of the plan. (b) Submit the plan annually and within 30 days after any significant modification, as defined by agency rule, to a previously approved plan. (c) Submit necessary plan revisions within 30 days after notification that plan revisions are required. (d) Notify the agency within 30 days after approval of its plan by the local emergency management agency, county health department, or Department of Health. (2) An entity subject to this part may temporarily exceed its licensed capacity to act as a receiving provider in accordance with an approved comprehensive emergency management plan for up to 15 days. While in an overcapacity status, each provider must furnish or arrange for appropriate care and services to all clients. In addition, the agency may approve requests for overcapacity in excess of 15 days, which approvals may be based upon satisfactory justification and need as provided by the receiving and sending providers. (3)(a) An inactive license may be issued to a licensee subject to this section when the provider	ZZ830
