A 152	Continued From page 1 commodes must be provided with privacy during use. (e) Facilities must make available linens and personal laundry services for residents who require such services. Linens provided by a facility must be free of tears, stains and must not be This Statute or Rule is not met as evidenced by: Based on observation, record review and interviews, the facility failed to maintain a safe and decent living environment for 5 of 5 residents. The findings include: On at 11:00AM, an observation was made of a damaged fence on the ground allowing access to the canal creating a hazard for the residents. (Photographic evidence obtained). Facility census at the time of the survey was 5. A record review of the department of health Group Care Inspection report dated documented the damaged fence and the report results as Unsatisfactory. As of the date of the survey, the fence had not been repaired. During an interview on at 11:15 AM with the Administrator, she stated she was aware of the damaged fence and was in the process of obtaining estimates and permits required to repair the fence and acknowledged they need to repair the fence. ZZ830	408.821 FS Emergency Management Planning 408.821 Emergency management planning; emergency operations; inactive license.- (1) A licensee required by authorizing statutes and agency rule to have a comprehensive emergency management plan must designate a safety liaison to serve as the primary contact for emergency operations. Such licensee shall submit its comprehensive emergency management plan to the local emergency management agency, county health department, or Department of Health as follows: (a) Submit the plan within 30 days after initial licensure and change of ownership, and notify the agency within 30 days after submission of the plan. (b) Submit the plan annually and within 30 days after any significant modification, as defined by agency rule, to a previously approved plan. (c) Submit necessary plan revisions within 30 days after notification that plan revisions are required. (d) Notify the agency within 30 days after approval of its plan by the local emergency management agency, county health department, or Department of Health. (2) An entity subject to this part may temporarily exceed its licensed capacity to act as a receiving provider in accordance with an approved comprehensive emergency management plan for up to 15 days. While in an overcapacity status, each provider must furnish or arrange for appropriate care and services to all clients. In addition, the agency may approve requests for overcapacity in excess of 15 days, which approvals may be based upon satisfactory justification and need as provided by the receiving and sending providers. (3)(a) An inactive license may be issued to a licensee subject to this section when the provider	ZZ830
