A 078 SS=F	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable . The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of . testing materials satisfies the annual examination requirement. An individual with a positive test must submit a health care provider's statement that the individual does not constitute a risk of 2. If any staff member has, or is suspected of having, a communicable , such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable (b) Staff must be qualified to perform their	A 078

AL241	Continued From page 6 b. A mental health resident returning to a facility from treatment in a hospital or crisis stabilization unit will not be considered a new admission and will not require a new assessment. However, a break in a resident's residency that requires the facility to execute a new resident contract or admission agreement will be considered a new admission and the resident's mental health care provider must provide a new assessment. 3. A Community Living Support Plan. Each mental health resident and the resident's mental health case manager must, in consultation with the facility administrator, prepare a plan within 30 days of the resident's admission to the facility or within 30 days after receiving the appropriate placement assessment in paragraph (2)(c), whichever is later, that: a. Includes the specific needs of the resident that must be met in order to enable the resident to live in the assisted living facility and the community, b. Includes the clinical mental health services to be provided by the mental health care provider to help meet the resident's needs, and the frequency and duration of such services, c. Includes any other services and activities to be provided by or arranged for by the mental health care provider or mental health case manager to meet the resident's needs, and the frequency and duration of such services and activities, d. Includes the _____ of the facility to facilitate and assist the resident in attending _____ and arranging transportation to _____ for the services and activities identified in the plan that have been provided or arranged for by the resident's mental health care provider or case manager, e. Includes a description of other services to be provided or arranged by the facility, f. Includes a list of factors pertinent to the care,	AL241
