Re: CCR# 2012005514 & ECC Monitoring Visit

Dear Administrator:

This letter reports the findings of a complaint survey and an extended congregate care (ECC) monitoring visit completed on July 20, 2012, by representatives of this office.

Attached are the provider's copies of the State (3020) Forms, indicating no deficiencies were identified during these surveys.

The *Quality Assurance Questionnaire* has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under **Health Facilities and Providers** on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyors. Should you have any questions, please contact **Paul Brown**, HFES, at (727) 552-2000.

Sincerely,

For Patricia Reid Cauffman
