	An abbreviated biennial and Limited Nursing Services survey was conducted on _____ at Carpenter's Creek Assisted Living Center. At the time of survey the facility had a deficiency.				
A 093 SS=D	58A-5.020(2) FAC Food Service - Dietary Standards		A 093		
	(2) DIETARY STANDARDS. (a) The Tenth Edition Recommended Dietary Allowances established by the Food and Nutrition Board - National Research Council, adjusted for age, _____ and activity, shall be the nutritional standard used to evaluate meals. Therapeutic diets shall meet these nutritional standards to the extent possible. A summary of the Tenth Edition Recommended Dietary Allowances, interpreted by a daily food guide, is available from the DOEA Assisted Living Program. (b) The recommended dietary allowances shall be met by offering a variety of foods adapted to the food habits, preferences and physical abilities of the residents and prepared by the use of standardized recipes. For facilities with a licensed capacity of 16 or fewer residents, standardized recipes are not required. Unless a resident chooses to eat less, the recommended dietary allowances to be made available to each resident daily by the facility are as follows: 1. Protein: 6 ounces or 2 or more servings; 2. Vegetables: 3 5 servings; 3. Fruit: 2 4 or more servings; 4. Bread and starches: 6 11 or more servings; 5. Milk or milk equivalent: 2 servings; 6. Fats, oils, and sweets: use sparingly; and 7. Water. (c) All regular and therapeutic menus to be used by the facility shall be reviewed annually by a registered dietitian, licensed dietitian/nutritionist,

A 093	Continued From page 1 or by a dietetic technician supervised by a registered dietitian or licensed dietitian/nutritionist, to ensure the meals are commensurate with the nutritional standards established in this rule. Portion sizes shall be indicated on the menus or on a separate sheet. Daily food servings may be divided among three or more meals per day, including snacks, as necessary to accommodate resident needs and preferences. This review shall be documented in the facility files and include the signature of the reviewer, registration or license number, and date reviewed. Menu items may be substituted with items of comparable nutritional value based on the seasonal availability of fresh produce or the preferences of the residents. (d) Menus to be served shall be dated and planned at least one week in advance for both regular and therapeutic diets. Residents shall be encouraged to participate in menu planning. Planned menus shall be conspicuously posted or easily available to residents. Regular and therapeutic menus as served, with substitutions noted before or when the meal is served, shall be kept on file in the facility for 6 months. (e) Therapeutic diets shall be prepared and served as ordered by the health care provider. 1. Facilities that offer residents a variety of food choices through a select menu, buffet style dining or family style dining are not required to document what is eaten unless a health care provider's order indicates that such monitoring is necessary. However, the food items which enable residents to comply with the therapeutic diet shall be identified on the menus developed for use in the facility. 2. The facility shall document a resident's refusal to comply with a therapeutic diet and notification to the resident's health care provider of such refusal. If a resident refuses to follow a	A 093

A 093	Continued From page 2 therapeutic diet after the benefits are explained, a signed statement from the resident or the resident 's responsible party refusing the diet is acceptable documentation of a resident 's preferences. In such instances daily documentation is not necessary. (f) For facilities serving three or more meals a day, no more than 14 hours shall elapse between the end of an evening meal containing a protein food and the beginning of a morning meal. Intervals between meals shall be evenly distributed throughout the day with not less than two hours nor more than six hours between the end of one meal and the beginning of the next. For residents without access to kitchen facilities, snacks shall be offered at least once per day. Snacks are not considered to be meals for the purposes of the time between meals. (g) Food shall be served attractively at safe and palatable temperatures. All residents shall be encouraged to eat at tables in the dining areas. A supply of eating ware sufficient for all residents, including adaptive equipment if needed by any resident, shall be on hand. (h) A 3-day supply of non perishable food, based on the number of weekly meals the facility has contracted with residents to serve, and shall be on hand at all times. The quantity shall be based on the resident census and not on licensed capacity. The supply shall consist of dry or canned foods that do not require refrigeration and shall be kept in sealed containers which are labeled and dated. The food shall be rotated in accordance with shelf life to ensure safety and palatability. Water sufficient for drinking and food preparation shall also be stored, or the facility shall have a plan for obtaining water in an emergency, with the plan coordinated with and reviewed by the local disaster preparedness authority. RICK SCOTT
GOVERNOR

Better Health Care for all Floridians

ELIZABETH DUDEK
SECRETARY

2012

Administrator
Carpenter's Creek Community
5918 North Davis Highway
Pensacola, FL 32503

Dear Administrator:

This letter reports the findings of a state licensure survey that was conducted on _____, 2012 by representatives of this office. Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe. Staff from this office will conduct a review after _____ 2012 to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor(s). Should you have any questions please call me at (850) 412-4540.

Sincerely,

For Donah Heiberg, M.S.W.
Field Office Manager
