A 055	58A-5.0185(6) FAC Medication - Storage and Disposal (6) MEDICATION STORAGE AND DISPOSAL. (a) In order to accommodate the needs and preferences of residents and to encourage residents to remain as independent as possible, residents may keep their medications, both prescription and over-the-counter, in their possession both on or off the facility premises; or in their _____ or apartments, which must be kept locked when residents are absent, unless the medication is in a secure place within the _____ or apartments or in some other secure place which is out of sight of other residents. However, both prescription and over-the-counter medications for residents shall be centrally stored if: 1. The facility administers the medication; 2. The resident requests central storage. The facility shall maintain a list of all medications being stored pursuant to such a request; 3. The medication is determined and documented by the health care provider to be hazardous if kept in the personal possession of the person for whom it is prescribed; 4. The resident fails to maintain the medication in a safe manner as described in this paragraph; 5. The facility determines that because of physical arrangements and the conditions or habits of residents, the personal possession of medication by a resident poses a safety hazard to other residents; or 6. The facility's rules and regulations require central storage of medication and that policy has	A 055

Kept in a locked cabinet, locked cart, or other locked storage receptacle, or area at all times; 2. Located in an area free of dampness and abnormal temperature, except that a medication requiring refrigeration shall be refrigerated. Refrigerated medications shall be secured by being kept in a locked container within the refrigerator, by keeping the refrigerator locked, or by keeping the area in which refrigerator is located locked; 3. Accessible to staff responsible for filling pill-organizers, assisting with self-administration, or administering medication. Such staff must have ready access to keys to the medication storage areas at all times; and 4. Kept separately from the medications of other residents and properly closed or sealed. (c) Medication which has been discontinued but which has not expired shall be returned to the resident or the resident's representative, as appropriate, or may be centrally stored by the facility for future resident use by the resident at the resident's request. If centrally stored by the facility, it shall be stored separately from medication in current use, and the area in which it is stored shall be marked "discontinued medication." Such medication may be reused if re-prescribed by the resident's health care provider. (d) When a resident's stay in the facility has ended, the administrator shall return all medications to the resident, the resident's family, or the resident's guardian unless otherwise prohibited by law. If, after notification and waiting at least 15 days, the resident's medications are still at the facility, the	A 055

Better Health Care for all Floridians

ELIZABETH DUDEK
SECRETARY

, 2012

Administrator
New Horizon Healthcare, Inc.
3114 Philips Hwy
Jacksonville, FL 32207

Dear Administrator:

This letter reports the findings of a state licensure Operation Spot Check survey that was conducted on 2012 by a representative of this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe. Staff from this office will conduct a review after 2012 to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor. Should you have any questions please call this office at

Sincerely,

Keisha Woods, MPH
Health Facility Evaluator Supervisor
