Staff whose duties are exclusively building maintenance, clerical, or food preparation shall not be counted toward meeting the minimum staffing hours requirement. 7. The administrator or manager's time may be counted for the purpose of meeting the required staffing hours provided the administrator is actively involved in the day-to-day operation of the facility, including making decisions and providing supervision for all aspects of resident care, and is listed on the facility's staffing schedule. 8. Only on-the-job staff may be counted in meeting the minimum staffing hours. Vacant positions or absent staff may not be counted. (b) Notwithstanding the minimum staffing requirements specified in paragraph (a), all facilities, including those composed of apartments, shall have enough qualified staff to provide resident supervision, and to provide or arrange for resident services in accordance with the residents scheduled and unscheduled service needs, resident contracts, and resident care standards as described in Rule 58A-5.0182, F.A.C. (c) The facility must maintain a written work schedule which reflects its 24-hour staffing pattern for a given time period. Upon request, the facility must make the daily work schedules for direct care staff available to residents or representatives, specific to the resident's care. (d) The facility shall be required to provide staff immediately when the Agency determines that the requirements of paragraph (a) are not met. The Agency shall consult with the facility administrator and residents regarding any determination that additional staff is required. 1. When additional staff is required above the minimum, the agency shall require the submission, within the time specified in the notification, of a corrective action plan indicating how the increased staffing is to be achieved and resident service needs will be met. The plan shall be reviewed by the agency to determine if the plan will increase the staff to needed levels and meet resident needs. 2. When the facility can demonstrate to the agency that resident needs are being met, or that resident needs can be met without increased staffing, modifications may be made in staffing requirements for the facility and the facility shall no longer be required to maintain a plan with the agency. 3. Based on the recommendations of the local fire safety authority, the Agency may require additional staff when the facility fails to meet the fire safety standards described in Section 429.41, F.S., and Rule Chapter 69A-40, F.A.C., until such time as the local fire safety authority informs the Agency that fire safety requirements are being met. Dear Administrator:

This letter reports the findings of a state licensure survey that was conducted on , 2012 by representative(s) of this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe.

Staff from this office will conduct a review after to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor(s). Should you have any questions please call Kristal Branton, Health Facility Evaluator Supervisor at (305) 593-3100.

Sincerely,

Arlene Mayo-Davis
Field Office Manager
