A 000	Initial Comments An Assisted Living Facility Standard Biennial licensure survey was conducted on [redacted]. Lilita Home II Inc. had licensure deficiencies found at the time of the visit.	A 000		
A 008 SS=D	58A-5.0181(2) FAC Admissions - Health Assessment (2) HEALTH ASSESSMENT. As part of the admission criteria, an individual must undergo a face-to-face medical examination completed by a licensed health care provider, as specified in either paragraph (a) or (b) of this subsection. (a) A medical examination completed within 60 calendar days prior to the individual ' s admission to a facility pursuant to Section 429.26(4), F.S. The examination must address the following: 1. The physical and mental status of the resident, including the identification of any health-related problems and functional limitations; 2. An evaluation of whether the individual will require supervision or assistance with the activities of daily living; 3. Any nursing or [redacted] services required by the individual; 4. Any special diet required by the individual; 5. A list of current medications prescribed, and whether the individual will require any assistance with the administration of medication; 6. Whether the individual has signs or symptoms of a communicable [redacted] which is likely to be transmitted to other residents or staff; 7. A statement on the day of the examination that, in the opinion of the examining licensed health care provider, the individual ' s needs can be met in an assisted living facility; and 8. The date of the examination, and the name, signature, address, phone number, and license number of the examining licensed health care	A 008

provider. The medical examination may be conducted by a currently licensed health care provider from another state.
(b) A medical examination completed after the resident ' s admission to the facility within 30 calendar days of the admission date. The examination must be recorded on AHCA Form 1823, Resident Health Assessment for Assisted Living Facilities, _ _ _ _ _ 2010. The form is hereby incorporated by reference. A faxed copy of the completed form is acceptable. A copy of AHCA Form 1823 may be obtained from the Agency Central Office or its website at www.fdhc.state.fl.us/MCHQ/Long_Term_Care/ <http://www.fdhc.state.fl.us/MCHQ/Long_Term_Care/> Assisted_living/pdf/AHCA_Form_1823%.pdf. The form must be completed as follows:
1. The resident ' s licensed health care provider must complete all of the required information in Sections 1, Health Assessment, and 2, Self-Care and General Oversight Assessment.
a. Items on the form that may have been omitted by the licensed health care provider during the examination do not necessarily require an additional face-to-face examination for completion.
b. The facility may obtain the omitted information either verbally or in writing from the licensed health care provider.
c. Omitted information received verbally must be documented in the resident ' s record, including the name of the licensed health care provider, the name of the facility staff recording the information and the date the information was provided.
2. The facility administrator, or designee, must complete Section 3 of the form, Services Offered or Arranged by the Facility, or may use electronic documentation, which at a minimum includes the elements in Section 3. This requirement does not

examination requirements of this subsection for up to 30 days. However, a resident accepted for temporary emergency placement shall be entered on the facility ' s admission and discharge log and counted in the facility census; a facility may not exceed its licensed capacity in order to accept a such a resident. A medical examination must be conducted on any temporary emergency placement resident accepted for regular admission.

This Statute or Rule is not met as evidenced by:
Based on interview and record review, the facility failed to properly complete the Resident Health Assessment AHCA Form 1823, for 2 of 4 sampled residents (Resident #2 and #4).

The findings include:

1. During a review of the record for Resident #2 it was noted that the resident was admitted to the facility on . There was no Health Assessment in the record. The administrator/owner and assistant were interviewed on at 1:30 p.m. and were unable to locate the Health Assessment.

2. Review of Resident #4's record, revealed the 1823 Resident Assessment Form was not properly completed on . Pages 3-5 including Section 2 were missing from the record. During an interview with the Administrator on at approximately 11:00 AM, she reviewed the record and confirmed she did not have a complete 1823 Assessment Form for that date .

A 026 SS=D	58A-5.0182(2) FAC Resident Care - Social & Leisure Activities (2) SOCIAL AND LEISURE ACTIVITIES. Residents shall be encouraged to participate in social, recreational, educational and other activities within the facility and the community. (a) The facility shall provide an ongoing activities program. The program shall provide diversified individual and group activities in keeping with each resident ' s needs, abilities, and interests. (b) The facility shall consult with the residents in selecting, planning, and scheduling activities. The facility shall demonstrate residents ' participation through one or more of the following methods: resident meetings, committees, a resident council, suggestion box, group discussions, questionnaires, or any other form of communication appropriate to the size of the facility. (c) Scheduled activities shall be available at least six (6) days a week for a total of not less than twelve (12) hours per week. Watching television shall not be considered an activity for the purpose of meeting the twelve (12) hours per week of scheduled activities unless the television program is a special one-time event of special interest to residents of the facility. A facility whose residents choose to attend day programs conducted at adult day care centers, senior centers, mental health centers, or other day programs may count those attendance hours towards the required twelve (12) hours per week of scheduled activities. An activities calendar shall be posted in common areas where residents normally congregate. (d) If residents assist in planning a special activity such as an outing, seasonal festivity, or an excursion, up to three (3) hours may be counted toward the required activity time.	A 026

box" labeled with Resident #2's name. The Administrator stated the box contained medications brought to the facility by the resident's sister. The surveyor observed 28 small sections/boxes (within the "tackle box") filled with various oral medications. The only documentation on the boxes was " morning, lunch, supper, bedtime".The Administrator stated that the resident's sister refills the pill box weekly with the medications. The Administrator stated she did not have any of the original medication packaging with the prescribed documentation attached. She stated she had provided the medication to the resident from the "tackle box" based on a list of medications provided by the residents' family. She stated she did not have any physician orders for the medications to be given to the resident, as required. She stated she did not have an 1823 Admission Assessment Form providing physician orders for the resident's medications. The Administrator stated she did not have a physician order for the resident to self administer her own medications. And she stated she was documenting on the Medication Observation Record (MOR) based on the list provided by the resident's family.

On [redacted] at approximately 10:30 AM during an inspection of Resident #3's medications, the surveyor noted a bottle of medication with 7 white pills, which was labeled with hand written instruction on the outside. The label showed [redacted] by mouth at bedtime. At that time, the surveyor interviewed the Administrator and she stated the medications where brought to the facility by the resident's family. Review of the [redacted] 2012 MOR revealed the resident was documented as receiving the medication, [redacted] 50 mg by mouth at bedtime daily. The

including Freedom from . must be documented on an annual basis. A person with a positive test must submit a health care provider ' s statement that the person does not constitute a risk of communicating . Newly hired staff does not include an employee transferring from one facility to another that is under the same management or ownership, without a break in service. If any staff member is later found to have, or is suspected of having, a communicable , he/she shall be removed from duties until the administrator determines that such condition no longer exists.

(b) All staff shall be assigned duties consistent with his/her level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff shall exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident ' s record, and to report the observations to the resident ' s health care provider in accordance with this rule chapter.

(c) All staff must comply with the training requirements of Rule 58A-5.0191, F.A.C.

(d) Staff provided by a staffing agency or employed by a business entity contracting to provide direct or indirect services to residents must be qualified for the position in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor shall specifically describe the services the staffing agency or contractor will be providing to residents.

(e) For facilities with a licensed capacity of 17 or more residents, the facility shall:

1. Develop a written job description for each staff position and provide a copy of the job description

per week.
2. At least one staff member who has access to facility and resident records in case of an emergency shall be within the facility at all times when residents are in the facility. Residents serving as paid or volunteer staff may not be left solely in charge of other residents while the facility administrator, manager or other staff are absent from the facility.
3. In facilities with 17 or more residents, there shall be at least one staff member awake at all hours of the day and night.
4. At least one staff member who is trained in First Aid and , as provided under Rule 58A-5.0191, F.A.C., shall be within the facility at all times when residents are in the facility.
5. During periods of temporary absence of the administrator or manager when residents are on the premises, a staff member who is at least 18 years of age, must be designated in writing to be in charge of the facility.
6. Staff whose duties are exclusively building maintenance, clerical, or food preparation shall not be counted toward meeting the minimum staffing hours requirement.
7. The administrator or manager ' s time may be counted for the purpose of meeting the required staffing hours provided the administrator is actively involved in the day-to-day operation of the facility, including making decisions and providing supervision for all aspects of resident care, and is listed on the facility ' s staffing schedule.
8. Only on-the-job staff may be counted in meeting the minimum staffing hours. Vacant positions or absent staff may not be counted.
(b) Notwithstanding the minimum staffing requirements specified in paragraph (a), all facilities, including those composed of apartments, shall have enough qualified staff to

provide resident supervision, and to provide or arrange for resident services in accordance with the residents scheduled and unscheduled service needs, resident contracts, and resident care standards as described in Rule 58A-5.0182, F.A.C.

(c) The facility must maintain a written work schedule which reflects its 24-hour staffing pattern for a given time period. Upon request, the facility must make the daily work schedules for direct care staff available to residents or representatives, specific to the resident ' s care.

(d) The facility shall be required to provide staff immediately when the Agency determines that the requirements of paragraph (a) are not met. The facility shall also be required to immediately increase staff above the minimum levels established in paragraph (a) if the Agency determines that adequate supervision and care are not being provided to residents, resident care standards described in Rule 58A-5.0182, F.A.C., are not being met, or that the facility is failing to meet the terms of residents ' contracts. The Agency shall consult with the facility administrator and residents regarding any determination that additional staff is required.

1. When additional staff is required above the minimum, the agency shall require the submission, within the time specified in the notification, of a corrective action plan indicating how the increased staffing is to be achieved and resident service needs will be met. The plan shall be reviewed by the agency to determine if the plan will increase the staff to needed levels and meet resident needs.

2. When the facility can demonstrate to the agency that resident needs are being met, or that resident needs can be met without increased staffing, modifications may be made in staffing requirements for the facility and the facility shall

7. Water.
(c) All regular and therapeutic menus to be used by the facility shall be reviewed annually by a registered dietitian, licensed dietitian/nutritionist, or by a dietetic technician supervised by a registered dietitian or licensed dietitian/nutritionist, to ensure the meals are commensurate with the nutritional standards established in this rule. Portion sizes shall be indicated on the menus or on a separate sheet. Daily food servings may be divided among three or more meals per day, including snacks, as necessary to accommodate resident needs and preferences. This review shall be documented in the facility files and include the signature of the reviewer, registration or license number, and date reviewed. Menu items may be substituted with items of comparable nutritional value based on the seasonal availability of fresh produce or the preferences of the residents.
(d) Menus to be served shall be dated and planned at least one week in advance for both regular and therapeutic diets. Residents shall be encouraged to participate in menu planning. Planned menus shall be conspicuously posted or easily available to residents. Regular and therapeutic menus as served, with substitutions noted before or when the meal is served, shall be kept on file in the facility for 6 months.
(e) Therapeutic diets shall be prepared and served as ordered by the health care provider.
1. Facilities that offer residents a variety of food choices through a select menu, buffet style dining or family style dining are not required to document what is eaten unless a health care provider ' s order indicates that such monitoring is necessary. However, the food items which enable residents to comply with the therapeutic diet shall be identified on the menus developed for use in the facility.

shall have a plan for obtaining water in an emergency, with the plan coordinated with and reviewed by the local disaster preparedness authority.

This Statute or Rule is not met as evidenced by:
Based on observation, record review and interview, the facility failed to 1). ensure that the menus were posted and accessible to the residents; 2) ensure substitutions were noted before or when the meal was served and 3). maintain a 3-day emergency food supply with all required components, as required.

The findings are:

1. On [redacted] at 12:15 p.m., the menu was observed to be posted in the kitchen on the refrigerator. The kitchen was blocked off by a gate and residents were unable to view or access the posted menu.

2. On [redacted] at 12:15 p.m., the staff was observed serving the residents a lunch consisting of chicken, tomatoes, rice and beans and papaya instead of the meal listed on the menu (meatballs and rice and beans, mixed vegetables and fruit (pineapple). There was no note on the menu or no separate list of the substitutions.

3. The non-perishable 3-day emergency food supply was observed to have no milk.

The administrator and assistant were interviewed on [redacted] at 12:20 p.m. and no additional information was provided.

Class III

AZ815	408.809, 435.02(2), 435.06 Background Screening; Prohibited Offenses	AZ815	

408.809, F.S.

(1) Level 2 background screening pursuant to chapter 435 must be conducted through the agency on each of the following persons, who are considered employees for the purposes of conducting screening under chapter 435:
(a) The licensee, if an individual.
(b) The administrator or a similarly titled person who is responsible for the day-to-day operation of the provider.
(c) The financial officer or similarly titled individual who is responsible for the financial operation of the licensee or provider.
(d) Any person who is a controlling interest if the agency has reason to believe that such person has been convicted of any offense prohibited by s. 435.04. For each controlling interest who has been convicted of any such offense, the licensee shall submit to the agency a description and explanation of the conviction at the time of license application.
(e) Any person, as required by authorizing statutes, seeking employment with a licensee or provider who is expected to, or whose responsibilities may require him or her to, provide personal care or services directly to clients or have access to client funds, personal property, or

living areas; and any person, as required by authorizing statutes, contracting with a licensee or provider whose responsibilities require him or her to provide personal care or personal services directly to clients. Evidence of contractor screening may be retained by the contractor ' s employer or the licensee.

(2) Every 5 years following his or her licensure, employment, or entry into a contract in a capacity that under subsection (1) would require level 2 background screening under chapter 435, each such person must submit to level 2 background rescreening as a condition of retaining such license or continuing in such employment or contractual status. For any such rescreening, the agency shall request the Department of Law Enforcement to forward the person ' s fingerprints to the Federal Bureau of Investigation for a national criminal history record check. If the fingerprints of such a person are not retained by the Department of Law Enforcement under s. 943.05(2)(g), the person must file a complete set of fingerprints with the agency and the agency shall forward the fingerprints to the Department of Law Enforcement for state processing, and the Department of Law Enforcement shall forward the fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The fingerprints may be retained by the Department of Law Enforcement under s. 943.05(2)(g). The cost of the state and national criminal history records checks required by level 2 screening may be borne by the licensee or the person fingerprinted. Proof of compliance with level 2 screening standards submitted within the previous 5 years to meet any provider or professional licensure requirements of the agency, the Department of Health, the Agency for Persons with , the Department of

Children and Family Services, or the Department of Financial Services for an applicant for a certificate of authority or provisional certificate of authority to operate a continuing care retirement community under chapter 651 satisfies the requirements of this section if the person subject to screening has not been unemployed for more than 90 days and such proof is accompanied, under penalty of perjury, by an affidavit of compliance with the provisions of chapter 435 and this section using forms provided by the agency.

(3) All fingerprints must be provided in electronic format. Screening results shall be reviewed by the agency with respect to the offenses specified in s. 435.04 and this section, and the qualifying or disqualifying status of the person named in the request shall be maintained in a database. The qualifying or disqualifying status of the person named in the request shall be posted on a secure website for retrieval by the licensee or designated agent on the licensee ' s behalf.

(4) In addition to the offenses listed in s. 435.04, all persons required to undergo background screening pursuant to this part or authorizing statutes must not have an [illegible] awaiting final disposition for, must not have been found guilty of, regardless of adjudication, or entered a plea of nolo contendere or guilty to, and must not have been adjudicated delinquent and the record not have been sealed or expunged for any of the following offenses or any similar offense of another jurisdiction:
(a) Any authorizing statutes, if the offense was a felony.
(b) This chapter, if the offense was a felony.
(c) Section 409.920, relating to Medicaid

the 5-year period, beginning , 2010, through 2015. If, upon rescreening, such person has a disqualifying offense that was not a disqualifying offense at the time of the last screening, but is a current disqualifying offense and was committed before the last screening, he or she may apply for an exemption from the appropriate licensing agency and, if agreed to by the employer, may continue to perform his or her duties until the licensing agency renders a decision on the application for exemption if the person is eligible to apply for an exemption and the exemption request is received by the agency within 30 days after receipt of the rescreening results by the person.

(5) The costs associated with obtaining the required screening must be borne by the licensee or the person subject to screening. Licensees may reimburse persons for these costs. The Department of Law Enforcement shall charge the agency for screening pursuant to s. 943.053(3). The agency shall establish a schedule of fees to cover the costs of screening.

(6)(a) As provided in chapter 435, the agency may grant an exemption from disqualification to a person who is subject to this section and who:
1. Does not have an active professional license or certification from the Department of Health; or
2. Has an active professional license or certification from the Department of Health but is not providing a service within the scope of that license or certification.
(b) As provided in chapter 435, the appropriate regulatory board within the Department of Health, or the department itself if there is no board, may grant an exemption from disqualification to a person who is subject to this section and who has received a professional license or certification

from the Department of Health or a regulatory board within that department and that person is providing a service within the scope of his or her licensed or certified practice.

(7) The agency and the Department of Health may adopt rules pursuant to ss. 120.536(1) and 120.54 to implement this section, chapter 435, and authorizing statutes requiring background screening and to implement and adopt criteria relating to retaining fingerprints pursuant to s. 943.05(2).

(8) There is no unemployment compensation or other monetary liability on the part of, and no cause of action for damages arising against, an employer that, upon notice of a disqualifying offense listed under chapter 435 or this section, terminates the person against whom the report was issued, whether or not that person has filed for an exemption with the Department of Health or the agency.

435.06, F.S.

(1) If an employer or agency has reasonable cause to believe that grounds exist for the denial or termination of employment of any employee as a result of background screening, it shall notify the employee in writing, stating the specific record that indicates noncompliance with the standards in this chapter. It is the responsibility of the affected employee to contest his or her disqualification or to request exemption from disqualification. The only basis for contesting the disqualification is proof of mistaken identity.

(2)(a) An employer may not hire, select, or otherwise allow an employee to have contact with

any person that would place the employee in a role that requires background screening until the screening process is completed and demonstrates the absence of any grounds for the denial or termination of employment. If the screening process shows any grounds for the denial or termination of employment, the employer may not hire, select, or otherwise allow the employee to have contact with any person that would place the employee in a role that requires background screening unless the employee is granted an exemption for the disqualification by the agency as provided under s. 435.07.

(b) If an employer becomes aware that an employee has been for a disqualifying offense, the employer must remove the employee from contact with any person that places the employee in a role that requires background screening until the is resolved in a way that the employer determines that the employee is still eligible for employment under this chapter.

(c) The employer must terminate the employment of any of its personnel found to be in noncompliance with the minimum standards of this chapter or place the employee in a position for which background screening is not required unless the employee is granted an exemption from disqualification pursuant to s. 435.07.

(3) Any employee who refuses to cooperate in such screening or refuses to timely submit the information necessary to complete the screening, including fingerprints if required, must be disqualified for employment in such position or, if employed, must be dismissed.

(4) There is no unemployment compensation or

other monetary liability on the part of, and no cause of action for damages against, an employer that, upon notice of a conviction or . . . . for a disqualifying offense listed under this chapter, terminates the person against whom the report was issued or who was regardless of whether or not that person has filed for an exemption pursuant to this chapter.

435.02(2), F.S.

" Employee " means any person required by law to be screened pursuant to this chapter.

This Statute or Rule is not met as evidenced by:
Based on record review and interview, the facility failed to ensure that the employee files had documentation of compliance with the background screening requirements for 1 of 4 sampled employee records (Employee #4).

The findings are:

During a review of the personnel records, it was noted that Employee #4 had a hire date of . . . . The employee was currently listed on the staff schedule. The personnel record was reviewed and did not contain any documentation of background screening results. The administrator and assistant were interviewed on . . . . . at 2:00 p.m. and no additional information was provided.

AHCA
FLORIDA AGENCY FOR HEALTH CARE ADMINIS.

RICK SCOTT
GOVERNOR

Better Health Care for all Floridians

ELIZABETH DUDEK
SECRETARY

, 2013

Administrator
Lilita Home II Inc.
2451 SW 103 Way
Miramar, FL 33025

Dear Administrator:

This letter reports the findings of a state licensure survey that was conducted on , 2012 by a representatives this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe. Staff from this office will conduct a review after , **2013** to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at http://ahca.myflorida.com/Publications/Forms.shtml as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the representatives. Should you have any questions please call this office at (561) 381-5840.

Sincerely,

for Arlene Mayo-Davis
Field Office Manager
