A 093	Continued From page 3 This Statute or Rule is not met as evidenced by: Based on observation and an interview, the facility failed to ensure residents received the recommended daily food allowances (RDA) on a regular basis and failed to document substitutions to the approved menu. The findings include: During observation of the lunch served to residents at 12 PM on 12/13/12, that the menu was not followed, substitutions were not noted and an adequate amount of the RDA was not served (no milk and no vegetables). On this date, the residents were served french fries, fried chicken breast (frozen pieces in the oven), canned peaches, fruit punch and cake. The menu approved by the dietician with portion sizes indicated for each of the food groups showed the residents were to be served vegetable soup, hot dogs, baked beans, cole slaw, pudding, fruit, milk and a beverage. During interview with the Administrator at this time, she stated they did not always follow the menu "because the residents don't like some meals". She also stated that the substituted items were not documented so there was no record to show that the substituted items were of equal nutritive value. Class III	A 093

RE: CCR #201211857

Dear Administrator:

This letter reports the findings of a complaint survey that was conducted on .2012 by a representative of this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe. Staff from this office will conduct a review after .2013 to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the representative. Should you have any questions please call this office at (561) 381-5840.

Sincerely,

Arlene Mayo-Davis
