A 052	58A-5.0185(3) FAC Medication - Assistance with SS=D Self-Admin (3) ASSISTANCE WITH SELF-ADMINISTRATION. (a) For facilities which provide assistance with self-administered medication, either: a nurse; or an unlicensed staff member, who is at least trained to assist with self-administered medication in accordance with Rule 58A-5.0191, F.A.C., and able to demonstrate to the administrator the ability to accurately read and interpret a prescription label, must be available to assist residents with self-administered medications in accordance with procedures described in Section 429.256, F.S. (b) Assistance with self-administration of medication includes verbally prompting a resident to take medications as prescribed, retrieving and opening a properly labeled medication container, and providing assistance as specified in Section 429.256(3), F.S. In order to facilitate assistance with self-administration, staff may prepare and make available such items as water, juice, cups, and spoons. Staff may also return unused doses to the medication container. Medication, which appears to have been contaminated, shall not be returned to the container. (c) Staff shall observe the resident take the medication. Any concerns about the resident's reaction to the medication shall be reported to the resident's health care provider and documented in the resident's record. (d) When a resident who receives assistance with	A 052

A 052	Continued From page 1 medication is away from the facility and from facility staff, the following options are available to enable the resident to take medication as prescribed: 1. The health care provider may prescribe a medication schedule which coincides with the resident ' s presence in the facility; 2. The medication container may be given to the resident or a friend or family member upon leaving the facility, with this fact noted in the resident ' s medication record; 3. The medication may be transferred to a pill organizer pursuant to the requirements of subsection (2), and given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident ' s medication record; or 4. Medications may be separately prescribed and dispensed in an easier to use form, such as unit dose packaging; (e) Pursuant to Section 429.256(4)(h), F.S., the term " competent resident " means that the resident is cognizant of when a medication is required and understands the purpose for taking the medication. (f) Pursuant to Section 429.256(4)(i), F.S., the terms " judgment " and " discretion " mean interpreting vital signs and evaluating or assessing a resident ' s condition. (4) Assistance with self-administration does not include: (a) Mixing, _____, converting, or _____ medication doses, except for measuring a prescribed amount of liquid medication or breaking a scored tablet or crushing a tablet as prescribed. (b) The preparation of syringes for injection or the administration of medications by any injectable route. (c) Administration of medications through	A 052

A 052	Continued From page 3 lower back. The resident did not assist in the placement. Employee C stated as she applied the patch to the resident, " I am assisting you with your _____ patch. " Employee C was observed to touch _____ 100 mg pill with her bare hands as it dropped onto the desk top and she then placed it back into the open bottle of pills for Resident # 4. She then opened the _____ 18 mcg capsule with her bare hands put into the inhaler device, then requested Resident #4 to push the inhaler button on the side which the resident did. An interview was conducted with Employee (C) on _____ about 1:45 pm. She was asked how to transfer pills from pill bottle to medicine cup. She stated, " No I do not touch the pills with my bare hands they go into the lid and then into the cup ". The observations made were discussed and she said, " Yes, I guess I did. I know I can always improve on my performance ". She confirmed patches were applied by her. "I asked the resident if she could remove her _____ patch and she said no so I had to remove it and replace it. She cannot reach her lower back where the _____ is to be applied so I had to put it on." Class III	A 052

ELIZABETH DUDEK
SECRETARY

2013

Administrator
Carington Manor
3215 East James Lee Blvd
Crestview, FL 32539

Dear Administrator:

This letter reports the findings of a state licensure survey that was conducted on , 2013 by representatives of this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe. Staff from this office will conduct a review after , 2013 to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyors. Should you have any questions please call me at 850-412-4540.

Sincerely,

Donah Heiberg, M.S.W.
Field Office Manager
