435.06, F.S.

(1) If an employer or agency has reasonable cause to believe that grounds exist for the denial or termination of employment of any employee as a result of background screening, it shall notify the employee in writing, stating the specific record that indicates noncompliance with the standards in this chapter. It is the responsibility of the affected employee to contest his or her disqualification or to request exemption from disqualification. The only basis for contesting the disqualification is proof of mistaken identity.

(2)(a) An employer may not hire, select, or otherwise allow an employee to have contact with any person that would place the

employee in a role that requires background screening until the screening process is completed and demonstrates the absence of any grounds for the denial or termination of employment. If the screening process shows any grounds for the denial or termination of employment, the employer may not hire, select, or otherwise allow the employee to have contact with any [illegible] person that would place the employee in a role that requires background screening unless the employee is granted an exemption for the disqualification by the agency as provided under s. 435.07.

(b) If an employer becomes aware that an employee has been [illegible] for a disqualifying offense, the employer must remove the employee from contact with any [illegible] person that places the employee in a role that requires background screening until the [illegible] is resolved in a way that the employer determines that the employee is still eligible for employment under this chapter.

(c) The employer must terminate the employment of any of its personnel found to be in noncompliance with the minimum standards of this chapter or place the employee in a position for which background screening is not required unless the employee is granted an exemption from disqualification pursuant to s. 435.07.

(3) Any employee who refuses to cooperate in such screening or refuses to timely submit the information necessary to complete the screening, including fingerprints if required, must be disqualified for employment in such position or, if employed, must be dismissed.

Dear Administrator:

This letter reports the findings of a monitoring visit that was conducted on , 2013, by a representative of this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe. Staff from this office will conduct a review to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at http://ahca.myflorida.com/Publications/Forms.shtml as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under **Health Facilities and Providers** on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor. Should you have any questions please call **Paul Brown**, HFES, at 727-552-2000.

Sincerely,

For Patricia Reid Caufman
