Re: CCR #2012008977

Dear Administrator:

This letter reports the findings of a second revisit survey conducted on _____ 2013 by representative(s) of this office. Enclosed is the provider's copy of the Statement of Deficiencies and Plan of Correction (State Form 3020), which references the uncorrected deficiencies and/or new deficiencies, identified during the revisit.

You will not receive a copy of this report in the mail; you will only receive this faxed report. **All deficiencies shall be corrected no later than _____ 2013.**

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor. Should you have any questions please call this office at (386) 462-6201.

Sincerely,

Kriste J. Mennella

During periods of temporary absence of the administrator or manager when residents are on the premises, a staff member who is at least _____ must be designated in writing to be in charge of the facility. 6. Staff whose duties are exclusively building maintenance, clerical, or food preparation shall not be counted toward meeting the minimum staffing hours requirement. 7. The administrator or manager's time may be counted for the purpose of meeting the required staffing hours provided the administrator is actively involved in the day-to-day operation of the facility, including making decisions and providing supervision for all aspects of resident care, and is listed on the facility's staffing schedule. 8. Only on-the-job staff may be counted in meeting the minimum staffing hours. Vacant positions or absent staff may not be counted. (b) Notwithstanding the minimum staffing requirements specified in paragraph (a), all facilities, including those composed of apartments, shall have enough qualified staff to provide resident supervision, and to provide or arrange for resident services in accordance with the residents scheduled and unscheduled service needs, resident contracts, and resident care standards as described in Rule 58A-5.0182, F.A.C. (c) The facility must maintain a written work schedule which reflects its 24-hour staffing pattern for a given time period. Upon request, the facility must make the daily work schedules for direct care staff available to residents or representatives, specific to the resident's care. The facility shall also be required to immediately increase staff above the minimum levels established in paragraph (a) if the Agency determines that adequate supervision and care are not being provided to residents, resident care standards described in Rule 58A-5.0182, F.A.C., are not being met, or that the facility is failing to meet the terms of residents' contracts. The Agency shall consult with the facility administrator and residents regarding any determination that additional staff is required. 1. When additional staff is required above the minimum, the agency shall require the submission, within the time specified in the notification, of a corrective action plan indicating how the increased staffing is to be achieved and resident service needs will be met. The plan shall be reviewed by the agency to determine if the plan will increase the staff to needed levels and meet resident needs. 2. When the facility can demonstrate to the agency that resident needs are being met, or that resident needs can be met without increased staffing, modifications may be made in staffing requirements for the facility and the facility shall no longer be required to maintain a plan with the agency. 3. Based on the recommendations of the local fire safety authority, the Agency may require additional staff when the facility fails to meet the fire safety standards described in Section 429.41, F.S., and Rule Chapter 69A-40, F.A.C., until such time as the local fire safety authority informs the Agency that fire safety requirements are being met. (f) Facilities holding a limited mental health, extended congregate care, or limited nursing services license must also comply with the staffing requirements of Rule 58A-5.029, 58A-5.030, or 58A-5.031, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on interview and record review it was determined that the facility failed to maintain a written work schedule which reflects its 24 hour staffing pattern for a given time period. Findings: Interview with the administrator in training on at approximately 12:10 PM revealed the facility had no written work schedule. He stated "we know who works when, but we don't have it written down." The administrator in training related information about staffing patterns and staff job duties, but stated he does not keep a written schedule of when staff work and/or how work assignments are delineated.
