A 010 SS=D	58A-5.0181(4) FAC Admissions - Continued Residency (4) CONTINUED RESIDENCY. Except as follows in paragraphs (a) through (e) of this subsection, criteria for continued residency in any licensed facility shall be the same as the criteria for admission. As part of the continued residency criteria, a resident must have a face-to-face medical examination by a licensed health care provider at least every 3 years after the initial assessment, or after a significant change, whichever comes first. A significant change is defined in Rule 58A-5.0131, F.A.C. The results of the examination must be recorded on AHCA Form 1823, which is incorporated by reference in paragraph (2)(b) of this rule. The form must be completed in accordance with that paragraph. After the effective date of this rule, providers shall have up to 12 months to comply with this requirement. (a) The resident may be bedridden for up to 7 consecutive days. (b) A resident requiring care of a stage sore be retained provided that: 1. The facility has a LNS license and services are provided pursuant to a plan of care issued by a licensed health care provider, or the resident contracts directly with a licensed home health agency or a nurse to provide care; 2. The condition is documented in the resident 's record; and 3. If the resident 's condition fails to improve within 30 days, as documented by a licensed	A 010

A 010	Continued From page 1 health care provider, the resident shall be discharged from the facility. (c) A ill resident who no longer meets the criteria for continued residency may continue to reside in the facility if the following conditions are met: 1. The resident qualifies for, is admitted to, and consents to the services of a licensed hospice which coordinates and ensures the provision of any additional care and services that may be needed; 2. Continued residency is agreeable to the resident and the facility; 3. An interdisciplinary care plan is developed and implemented by a licensed hospice in consultation with the facility. Facility staff may provide any nursing service permitted under the facility's license and total help with the activities of daily living; and 4. Documentation of the requirements of this paragraph is maintained in the resident's file. (d) The administrator is responsible for monitoring the continued appropriateness of placement of a resident in the facility. (e) Continued residency criteria for facilities holding an extended congregate care license are described in Rule 58A-5.030, F.A.C. (5) DISCHARGE. If the resident no longer meets the criteria for continued residency, or the facility is unable to meet the resident's needs, as determined by the facility administrator or licensed health care provider, the resident shall be discharged in accordance with Section 429.28(1), F.S. This Statute or Rule is not met as evidenced by:	A 010

A 010	Continued From page 2 Based on record review and interview the facility failed to ensure as part of the continued residency criteria, a resident must have a face-to-face medical examination by a licensed health care provider at least every 3 years after the initial assessment, or after a significant change, whichever comes first for 2 out of 4 sampled residents reviewed (Resident # 3 & #4). The findings include: A review on _____ of Resident #3's record revealed an admission date of _____ with a diagnosis to include _____ and _____. Interview on _____ at 10:20 AM with the hospice nurse revealed the resident was admitted to hospice in _____ 2012 with a diagnosis of _____. Resident #4's record revealed an admission date of _____ with a diagnosis to include _____ and _____. During an interview on _____ at 10:20 AM with the hospice Nurse, she revealed the resident was admitted to hospice in _____ with a diagnosis of _____. Record review revealed there was no evidence the residents were reassessed by a physician after aforementioned significant change in their condition, to ensure continued appropriateness of placement. During an interview on _____ with the Administrator/Owner, she acknowledged the findings. It was revealed no further documentation was available for review. Class III	A 010

Administrator
The Gardens At Coral Springs, Inc.
2971 NW 95th Avenue
Coral Springs, FL 33065

Dear Administrator:

This letter reports the findings of a state licensure survey that was conducted on , 2013 by representative of this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe. Staff from this office will conduct a review after , 2013 to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the representative. Should you have any questions please call this office at (561) 381-5840.

Sincerely,

Arlene Mayo-Davis
Field Office Manager
