Dear Administrator:

Re: CCR #2012013209

This letter reports the findings of a state licensure survey that was conducted on 2013 by representative(s) of this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe. Staff from this office will conduct a review after 2013, to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor(s). Should you have any questions please call Lorraine Henry at
