Re: Monitoring survey

Dear Administrator:

This letter reports the findings of a monitoring survey that was conducted via Desk Review on 2013 by a representative of this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiency that was identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct the deficiency within thirty days of the date of this letter unless the Agency has approved another timeframe. **If you send us your approved Emergency Management Plan by 2013, Staff from this office will conduct a Desk Review to clear the deficiency identified on your survey.**

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Should you have any questions please call this office at 239-335-1315.

Sincerely,

Harold D. Williams
