Dear Administrator:

This letter reports the findings of a state licensure survey revisit and an operation spot check conducted on May 2, 2013, by a representative of this office.

Attached is the provider's copy of the Revisit Report, which indicates the previously cited deficiency was found corrected on the day of the revisit, and State (3020) Form, which indicates no deficiencies were found at the time of the visit.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at http://ahca.myflorida.com/Publications/Forms.shtml as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under **Health Facilities and Providers** on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor. Should you have any questions please call **Paul Brown**, HFES, at (727) 552-2000.

Sincerely,

for Patricia Reid Caufman
