A 056 SS=D	58A-5.0185(7) FAC Medication - Labeling and Orders (7) MEDICATION LABELING AND ORDERS. (a) No prescription drug shall be kept or administered by the facility, including assistance with self-administration of medication, unless it is properly labeled and dispensed in accordance with Chapters 465 and 499, F.S., and Rule 64B16-28.108, F.A.C. If a customized patient medication package is prepared for a resident, and separated into individual medicinal drug containers, then the following information must be recorded on each individual container: 1. The resident's name; and 2. Identification of each medicinal drug product in the container. (b) Except with respect to the use of pill organizers as described in subsection (2), no person other than a pharmacist may transfer medications from one storage container to another. (c) If the directions for use are "as needed" or "as directed," the health care provider shall be contacted and requested to provide revised instructions. For an "as needed" prescription, the circumstances under which it would be appropriate for the resident to request the medication and any limitations shall be specified; for example, "as needed for pain, not to exceed 4 tablets per day." The revised instructions, including the date they were obtained from the health care provider and the signature of the staff who obtained them, shall be noted in the medication record, or a revised label shall be	A 056

A 056	Continued From page 1 obtained from the pharmacist. (d) Any change in directions for use of a medication for which the facility is providing assistance with self-administration or administering medication must be accompanied by a written medication order issued and signed by the resident's health care provider, or a faxed copy of such order. The new directions shall promptly be recorded in the resident's medication observation record. The facility may then place an "alert" label on the medication container which directs staff to examine the revised directions for use in the MOR, or obtain a revised label from the pharmacist. (e) A nurse may take a medication order by telephone. Such order must be promptly documented in the resident's medication observation record. The facility must obtain a written medication order from the health care provider within 10 working days. A faxed copy of a signed order is acceptable. (f) The facility shall make every reasonable effort to ensure that prescriptions for residents who receive assistance with self-administration of medication or medication administration are filled or refilled in a timely manner. (g) Pursuant to Section 465.0276(5), F.S., and Rule 64F-12.006, F.A.C., sample or complimentary prescription drugs that are dispensed by a health care provider, must be kept in their original manufacturer's packaging, which shall also include the practitioner's name, the resident's name for whom they were dispensed, and the date they were dispensed. If the sample or complimentary prescription drugs are not dispensed in the manufacturer's labeled package, they shall be kept in a container that bears a label containing the following: 1. Practitioner's name; 2. Resident's name;	A 056

Administrator
Family Care Alf, Inc
182 West 9 Street
Hialeah, FL 33010

Dear Administrator:

This letter reports the findings of a state Limited Nursing Services (LNS) Monitoring survey that was conducted on January 10, 2013 by representative(s) of this office.

Attached is the provider's copy of the State (3020) Form, which indicates the deficiencies that were identified on the day of the visit. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe.

Staff from this office will conduct a review after January 25, 2013 to verify that the necessary corrections are in place to correct the deficiencies identified on your survey.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor(s). Should you have any questions please call Kristal Branton, Health Facility Evaluator Supervisor at (305) 593-3100.

Sincerely,

Kristal Branton
En Arlene Mayo-Davis
