Dear Administrator:

This letter reports the findings of two state licensure survey revisits and an extended congregate care (ECC) monitoring visit conducted on November 19, 2013, by representative(s) of this office.

Attached are the provider's copy of the State Forms (5000-3547), which indicates the previously cited deficiencies were found corrected on the day of the revisits, and no deficiencies were identified relative to the extended congregate care (ECC) monitoring visit.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under **Health Facilities and Providers** on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor(s). Should you have any questions please call **Paul Brown**, HFES, at (727) 552-2000.

Sincerely,

for
Patricia Reid Cauffman
Field Office Manager
