Dear Administrator:

This letter reports the findings of a state complaint survey revisit conducted on June 9, 2014 by representative(s) of this office.

Attached is the provider's copy of the State Form (5000-3547), which indicates the previously cited deficiencies were found corrected on the day of the revisit.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under Health Facilities and Providers on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor(s). Should you have any questions please call Kristal Branton at (305) 593-3100.

Sincerely,

Arlene Mayo-Davis, RN
