RE: CCR# 2014005133

Dear Dr. Adler:

Representatives from the Agency for Health Care Administration (AHCA) completed an unannounced visit at AM Seaside Retirement Resort on August 13, 2014. While at the facility, our staff thoroughly reviewed your concerns. The representatives observed care, interviewed residents and staff, as well as completed medical chart reviews.

Although at the time of the inspection, the representatives did not find the facility was violating any laws or rules, your complaint information is important in helping us ensure facility compliance. This correspondence will remain as a permanent part of our complaint system and we will continue to monitor these concerns or issues during future visits.

Thank you for bringing your concerns to our attention. Inspection results will be available in approximately 45 days at http://apps.ahca.myflorida.com/dm_web or, if unavailable online, directions on how to obtain a copy. Your feedback is important to us and we invite you to complete a survey at <http://tinyurl.com/ahcasurvey>.

Sincerely,
