RE: Initial licensure

Dear Administrator:

This letter reports the findings of an initial Licensure survey conducted on November 5, 2014 by representative(s) of this office. Attached is the provider's copy of the State (5000-3547) Form, which indicates there were no discernible deficiencies noted on the date of the survey.

The *Quality Assurance Questionnaire* has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under **Health Facilities and Providers** on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor(s). Should you have any questions please call Lorraine Henry at (407) 420-2502.

Sincerely,

Theresa DeCanio, RN
