RE: Revisit & CCR# 2015010026

Dear Administrator:

This letter reports the findings of a state licensure revisit survey and a complaint survey that were conducted on October 26, 2015, by representative(s) of this office.

Attached is the provider's copy of the Revisit Report, which indicates the previously cited deficiency was found corrected, and the State (5000-3547) Form, which indicates the deficiencies that were identified relative to the complaint survey. Section 408.811(4), Florida Statutes, requires that you correct these deficiencies within thirty days of the date of this letter unless the Agency has approved another timeframe. **Please attach a summary of your corrective action for each deficiency, including completion dates, on your letterhead. Also include any additional documentation to support correction of identified deficiencies. Submit summary and documents to the Field Office no later than November 14, 2015.** Staff from this office will conduct a review of the provided corrective action and supporting documentation to verify that the necessary corrections are in place to correct the deficiencies identified on your survey, which may include a desk review or onsite revisit.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under **Health Facilities and Providers** on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.
