This report is completed by a State surveyor to show those deficiencies previously reported that have been corrected and the date such corrective action was accomplished. Each deficiency should be fully identified using either the regulation or LSC provision number and the identification prefix code previously shown on the State Survey Report (prefix codes shown to the left of each requirement on the survey report form).

Clearwater, FL 33761

Dear Administrator:

This letter reports the findings of a state licensure follow-up (desk review) conducted on November 8, 2016, by representative(s) of this office.

Attached is the provider's copy of the Revisit Report, which indicates the previously cited deficiencies were found corrected on the day of the desk review. **You will not receive a copy of this report in the mail; you will only receive this faxed report.**

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under **Health Facilities and Providers** on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.

Thank you for the assistance provided to the surveyor(s). Should you have any questions please call **Paul Brown**, HFES, at (727) 552-2000.

Sincerely,

for

Patricia Reid Cauffman  
Field Office Manager
