RE: CCR# 2016012267 & CHOW

Dear Administrator:

This letter reports the findings of a complaint survey and a change of ownership (CHOW) state licensure survey with limited mental health services (LMH) that were conducted on December 6, 2016, by representative(s) of this office.

Attached are the provider's copies of the State (5000-3547) Forms, which indicate no deficiencies were identified relative to the complaint survey and the deficiency that was identified relative to the CHOW survey. Section 408.811(4), Florida Statutes, requires that you correct this deficiency within thirty days of the date of this letter unless the Agency has approved another timeframe. **Please attach a summary of your corrective action for each deficiency, including completion dates, on your letterhead. Also include any additional documentation to support correction of the identified deficiency. Submit summary and documents to the Field Office no later than December 30, 2016.** Staff from this office will conduct a review of the provided corrective action and supporting documentation to verify that the necessary corrections are in place to correct the deficiency identified on your survey, which may include a desk review or onsite revisit.

The Quality Assurance Questionnaire has long been employed to obtain your feedback following survey activity. This form has been placed on the Agency's website at <http://ahca.myflorida.com/Publications/Forms.shtml> as a first step in providing a web-based interactive consumer satisfaction survey system. You may access the questionnaire through the link under **Health Facilities and Providers** on this page. Your feedback is encouraged and valued, as our goal is to ensure the professional and consistent application of the survey process.
