Based on staff interview and observation, the facility failed to notify the Agency upon voluntary discontinuation of operation.

The findings included:

1. On at 12:40 p.m., the Executive Director for Cairn Park 2 said Cairn Park 4 has no staff and no residents in the building. After Hurricane Irma, the facility staff combined the residents and staff with the other Cairn Parks. The owners of these facilities have not officially closed Cairn Park 4.
2. On at 12:45 p.m., a supervisor from the Area 8 Agency for Care Administration office said no one from Cairn Park 4 notified the Agency they are closed or no longer doing business.
3. On at 1:20 p.m., observation showed there was no one at Cairn Park 4. The surveyor knocked on the front door and there was no answer. There was no car in the driveway. There was a locked key box hooked on the front door knob as if this house is for sale.

The facility did not notify the Agency they are no longer doing business at this facility.
