0000 - Initial Comments

An unannounced licensure complaint survey, CCR# 2017009538, was conducted on at Lifestyle Living #2, License #10901 . The facility had a deficiencies at the time of the investigation.

0010 - Admissions - Continued Residency - 429.26(1&9) FS; 58A-5.0181(4) FAC

Based on observation , record review and interview, the facility failed to complete a face to face medical examination by a health care provider after a significant change in condition and record the results of the examination on AHCA Form 1823, for 1 of 3 (Resident #1) records reviewed.

The findings included:

On at 11:15 AM an observation of Resident #1 revealed the resident to be sitting in his wheelchair with his bi-lateral feet bandaged.

A record review of Resident #1's record revealed a physician order dated for home health to provide care to right heel, clean, apply and ointment mixture to bed.
In an interview conducted on at 3:02 PM with the podiatrist she stated that the wounds are now healing, but that originally it was a to the heel that she de-breeded, she acknowledged that it could have been a pressure , and that it was a . A review of Resident #1's AHCA form 1823 dated fails to capture any indication that the resident was receiving home health for a .

In an interview conducted on at 3:15 PM with the Administrator, she stated that the AHCA form 1823 dated was the last assessment for Resident #1, and she acknowledged the findings.

Class III

0162 - Records - Resident - 58A-5.024(3) FAC

Based on record review and interview the facility failed to ensure that hospice residents's records contain the interdisciplinary care plan and other documentation that the resident is a hospice patient in 1 of 3 (Resident #2) resident records reviewed.

The findings included:

A record review of the admission and discharge log revealed a notation for Resident #2's that the resident expired on and discharged to hospice. Further review of the resident's record failed to
