Findings: During the entrance interview on at 9:45 AM, the administrator expressed surprise to see an AHCA (Agency) representative in the building as the Agency had been there recently. When asked why the Agency was there, she replied that the 7th floor had been converted to a rehabilitation facility. She clarified that 22 skilled nursing facility beds that belonged to The Commons Skilled Nursing Facility (SNF) were housed there. The 7th floor was no longer used by the assisted living facility. Observations on at 10:15 AM noted there had been renovations to the former assisted living floor. The floor now had capacity to house 22 residents. There was a nursing station and 2 physical areas as well. There were staff present. The SNF administrator was present as well and presented their facility license. The license was dated effective It also indicated, "change during licensure period application-22 beds addition. In an interview on at 10:45 AM with the administrator who said, she did not inform the Agency of the change of use of space, as the capacity remained the same. Class III
