SUMMARY STATEMENT OF DEFICIENCIES (FINDINGS PRECEDED BY TAGS AND REGULATORY IDENTIFYING INFORMATION)		
0000 - Initial Comments A generator monitoring visit was conducted on 08/27/2018. Ark Center of Brevard, license #10233, had a deficiency at the time of the visit. 0200 - Emergency Environmental Control - 58A-5.036 FAC Based on review of facility records and interview, the facility failed to, within five business days, notify in writing each resident and the resident's legal representative upon submission of its emergency environmental control plan to the local emergency management agency that the plan had been submitted for review and approval, failed to develop written policies and procedures for its plan and failed to acquire a carbon monoxide alarm. Findings: Review of the facility's approval letter for its emergency environmental control plan revealed the local emergency management agency approved the plan on 08/27/2018. A request was made to review the written notification that the facility provided to each resident and the resident's legal representative when the facility submitted its plan for review and approval, to review the facility's policies and procedures for its plan and to be shown the location of the facility's carbon monoxide alarm. On 08/27/2018 at 3:02 p.m. the administrator said she verbally told the residents when the facility's plan was submitted for review and approval but she did not provide them with anything in writing. On 08/27/2018 at 3:03 p.m. the administrator said the facility did not develop policies and procedures for its plan. On 08/27/2018 at 3:15 p.m. the administrator said the facility did not have a carbon monoxide alarm. Class III
